

## Energy Incentives - Texas

<b>Texas Emissions Reduction Plan (TERP)</b>	Businesses that operate in Texas and use eligible vehicles or equipment.	<a href="https://www.tceq.texas.gov/airquality/terp">https://www.tceq.texas.gov/airquality/terp</a>
<b>Property Assessed Clean Energy (PACE) Program</b>	Commercial, industrial, agricultural, and nonprofit properties.	<a href="https://www.energy.gov/scep/slsc/property-assessed-clean-energy-programs">https://www.energy.gov/scep/slsc/property-assessed-clean-energy-programs</a>
<b>Solar Energy System Property Tax Exemption</b>	Property owners who install solar energy systems.	<a href="https://gilldenson.com/am-i-eligible-for-a-solar-property-tax-exemption-on-my-texas-property/">https://gilldenson.com/am-i-eligible-for-a-solar-property-tax-exemption-on-my-texas-property/</a>
<b>Renewable Energy Systems Property Tax Exemption</b>	Property owners with eligible renewable energy systems.	<a href="https://www.texaslandcan.org/article/Texas-Tax-Code-Incentives-for-Renewable-Energy/2526">https://www.texaslandcan.org/article/Texas-Tax-Code-Incentives-for-Renewable-Energy/2526</a>
<b>Federal Investment Tax Credit (ITC)</b>	Businesses that install solar energy systems.	<a href="https://www.energy.gov/eere/solar/federal-solar-tax-credits-businesses">https://www.energy.gov/eere/solar/federal-solar-tax-credits-businesses</a>
<b>Commercial Energy Efficiency Rebates and Incentives</b>	These can include rebates for energy-efficient lighting, HVAC systems, and building insulation.	<a href="https://www.texasgasservice.com/save-money/rebates-and-incentives/ctx-rebates-and-incentives/ctx-commercial-rebates-incentives">https://www.texasgasservice.com/save-money/rebates-and-incentives/ctx-rebates-and-incentives/ctx-commercial-rebates-incentives</a>
<b>Texas Economic Development Act (Chapter 313)</b>	Businesses making substantial investments in Texas.	<a href="https://comptroller.texas.gov/economy/development/prop-tax/ch313/#:~:text=Texas%20Economic%20Development%20Act,Tax,operations%20tax%20(M%26O)%20purposes">https://comptroller.texas.gov/economy/development/prop-tax/ch313/#:~:text=Texas%20Economic%20Development%20Act,Tax,operations%20tax%20(M%26O)%20purposes</a>
<b>Texas Renewable Energy Industry Incentives</b>	Renewable energy companies and projects.	<a href="https://gov.texas.gov/uploads/files/business/renewableenergy-report.pdf#:~:text=URL%3A%20https%3A%2F%2Fgov.texas.gov%2Fuploads%2Ffiles%2Fbusiness%2Fnewableenergy">https://gov.texas.gov/uploads/files/business/renewableenergy-report.pdf#:~:text=URL%3A%20https%3A%2F%2Fgov.texas.gov%2Fuploads%2Ffiles%2Fbusiness%2Fnewableenergy</a>
<b>Texas Industrial Energy Efficiency Network (TIEEN)</b>	The Texas Industrial Energy Efficiency Network (TIEEN) is a network of publicly supported industrial energy-efficiency organizations.	<a href="https://uh.edu/uh-energy-innovation/uh-energy/educational-programs/industrial-energy/tieen/">https://uh.edu/uh-energy-innovation/uh-energy/educational-programs/industrial-energy/tieen/</a>
<b>Industrial Assessment Centers</b>	Small- and medium-sized manufacturers (SMMs) may be eligible to receive a <b>no-cost energy assessment</b> provided by more than 50 Industrial Assessment Centers (IACs) around the country. Grant opportunities for energy efficiency projects and access to clean energy workforce training.	<a href="https://www.energy.gov/mesc/industrial-assessment-centers-iacs">https://www.energy.gov/mesc/industrial-assessment-centers-iacs</a>
